Jerry,

WOW! I don't think we couldn't have done a better job ourselves than Jay Kumar did in the June BASS-MASTER Magazine! Those were some awesome photos, and it was a great write-up on you and your place. I truly appreciate you making such a big deal about the Rebel Wee Crawfish and including it in the photos and story.

I hope you get lots of business off this story. By the way, the Gary Garth story in Field & Stream was GREAT too! **You're fast becoming one of the most famous smallmouth guides in the land.**

Well, dad and I will see you on July 5th, with our Rebel Crawfish in hand! Give me a call any time I can be of service.

Thanks again,
